JUNE 2009

120 Years of Serving Christ

God's Vision for Hus Church

The Bible says that "without vision the people perish" (Prov. 29:18 KJV). Another translation says it this way, "where there is no revelation the people throw off restraint" (NIV). The reality is that when people have no real direction, no real purpose, and no clear understanding of what is expected of them they will wonder off on their own in as many directions as there are people. If that is not a description of chaos I am not sure what is.

Vision is important, but a God given vision is essential. Essential especially to the people of God who are called to be change agents to the world. Jesus said it this way, "¹⁴ You are the light of the world. A city on a hill cannot be hidden. ¹⁵ Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. ¹⁶ In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven." (Mat. 5:14-16- NIV)

Hus Church has a God given vision that needs to be discovered and fulfilled. We are a city on a hill with light that others need. We need to discover what Gods vision is for our church and for our lives so we can make Jesus look good to our families and to our communities.

Discovering that vision is not easy but it is essential. Join me as I seek to discover God's vision for Hus Church. I and a few others are beginning the process of discovering God's vision for Hus Church. If you are one of many who would like to engage in this process please contact me by calling Lisa at the church office or email her and we will begin this exciting journey together.

2009 Camp Wyoming Summer Camps

The theme for 2009 is "**Breakthrough**" where campers will learn how people from the Bible had a transforming experience during their encounter with Jesus. This experience changed their way of seeing God, themselves, and the world around them. As Jesus journeyed through villages, along lakesides, and down dusty roads, his life intersected with the lives of a variety of people who had experienced oppression, pain, neglect, or sickness. In story after story, Jesus tears down walls of prejudice, provides loving attention to the forgotten, and heals the sick. Campers will read these stories and learn how each encounter resulted in a **Breakthrough**; a chance to move beyond the present situation into a life-changing experience with the healing grace and love of God.

Youth from Kindergarten to Seniors in high school are invited to join other youth from all over at camp this summer. There are two ways to register. Fill out the form in the back of the 2009 Camp Wyoming brochure (available at the church) or go online at www.campwyoming.net.

Finally, Camp Wyoming runs an Open House in the Spring so families can visit and see the facilities, meet the staff, and participate in numerous traditional summer camp activities. The date and time for this year's Open House is April 18th from 10 AM to 2 PM.

In service to Christ,

Camp Wyoming Staff

Presbyterian Theology—Part

We continue learning more about what it is to be Presbyterian with a series on Presbyterian Theology talking about Faith, Jesus, the Holy Spirit, The Bible, and finally Sin and Salvation.

Terry

Presbyterians believe Jesus was...

Fully human, fully God.

*Jesus proclaimed the reign of God:
preaching good news to the poor and release
to the captives,
teaching by word and deed
and blessing the children,
healing the sick
and binding up the brokenhearted,
eating with outcasts,
forgiving sinners,
and calling all to repent and believe the gospel.
Unjustly condemned for blasphemy and
sedition,
Jesus was crucified,
suffering the depths of human pain and giving
his life for the sins of the world.
God raised Jesus from the dead,
vindicating his sinless life,
breaking the power of sin and evil,
delivering us from death to life eternal.*

(Brief Statement of Faith, Lines 8-26)

Jesus was born of a woman--Mary; in a particular place--the Middle East; to a particular people--the Jews. He was born as a helpless infant who hungered, cried, had to be changed and grew as all babies grow. As a grown man, Jesus knew all of the feelings humans know--joy, sadness, discouragement, loneliness and longing. Yet, Jesus also trusted completely in God and was without sin.

Jesus' actual ministry on earth was short--approximately three years. Because his teachings challenged powerful religious and

government leaders, he was executed as a dangerous and seditious criminal. He died, was buried, and was resurrected by God. For Christians, this resurrection is God's most amazing miracle and proof that Jesus was indeed divine.

We believe that Jesus is as alive today as he was on the first Easter morning and that he is present with us today, even though we cannot see him or physically touch him. We call Jesus "Lord" because he has saved us from the power of death and the power of sin and because, through his sacrifice, we are able to know the fullness of God's love for us.

Christians also believe that Jesus will one day return to the earth to complete the task of creating a world where justice, peace and love rule and evil is no more. To those who believe in Christ, such an event is seen not with fear but with joyful anticipation. Because Jesus showed that not even death can stop God's purpose and God's activity, we know that we have life and hope forever.

HEALING THE HEARTLAND FESTIVAL NEIGHBORHOOD BBQ June 12, 2009

Hus Church is partnering with First Church of the Nazarene, the Salvation Army and a group from Watershed to hold a Neighborhood BBQ at Taylor Elementary School on June 12, 2009 from 6 - 9 PM. The BBQ is sponsored by Serve the City and will be one of 11 neighborhood BBQs all over Cedar Rapids. Our area will be covering the Czech Village and Taylor neighborhoods. Two areas hit hard by the flood.

Volunteers are needed to help serve the food (which Serve the City is providing at no charge) help clean up and to just "be a friend" to the area residents. Each site is preparing to feed approximately 500 people so 20 volunteers are needed from each group to help. This is a great opportunity to join in fellowship with other organizations as well as meet the people in the flood affected areas and other parts of the city.

Over the last year it is the smiles and simple words of encouragement from family, friends and perfect strangers that have given hope to all of the residents of Cedar Rapids!

Thank you and God bless, Wendy Barton

To All the Graduates

Fear not that you might make a mistake in believing your dream.
Fear rather that if you don't go for it You might stand before God and he'll tell you
you could have succeeded had you had a little more faith.

Fear not that you might fail.

Fear rather that you will never succeed if you never try and if you are
unwilling to take risks.

Fear not that you might get hurt.

Fear rather that you will never grow if you wait for painless success.

The old man said to the young man,
"Why not go out, on a limb, After all isn't that where the fruit is?"
